

Where advanced technology meets more intelligent patient engagement

Patient-first access solutions enabled by a proprietary technology-forward platform

OCCAM HEALTH is an independent hub service provider dedicated to the exceptional delivery of patient access programs; helping patients and their physicians gain access to therapies and essential patient engagement resources on behalf of our biopharma clients.

OUR TECHNOLOGY

For clients looking to ensure that hub intake, processing, and triage are accomplished using a technology-forward and cost-efficient system, we offer Cloud Script™, our proprietary, secure and web-based, mobile-friendly platform that helps solve many of the toughest issues that can delay speed to therapy for patients.

Cloud Script™

Real-time connectivity between patients, physicians, office staff and field teams for:

- Product and Program Eligibility
- Coverage & Prior Authorization Support
- Patient Journey Engagement
- Financial Assistance & Affordability
- Data Reporting
- Prescription Logistics Messaging

OUR SERVICES

Our portfolio of services meet the highest standards of compliance at every phase — from HIPAA-compliant program structures and contracting to execution and reporting.

- Reimbursement support services
- Program strategy, support and administration
- Patient access and care coordination
- Call center operations and management
- Financial services and affordability
- Distribution support (PAP, FDF, Bridge)
- Quality and compliance auditing
- Clinical education and patient/caregiver engagement
- Patient/caregiver communications (digital, live)
- Field-based support solutions (CNE's, FRM's, CSO)

OUR DIFFERENCE

While technology plays a critical role in our services, it's only when we combine the expertise of our people with our time-saving, cost-effective and intelligent patient-centric solutions that your patients receive the best experience possible. We also seek to continuously improve program performance to optimize the patient-based investment, while passing these savings back to our clients. We are a true strategic partner with genuine concern for patients and their therapy access needs.

LET'S CHAT! I look forward to following up with you to schedule some time for a brief introduction to see if our offerings match your needs.
